

VECTIS

A2001100

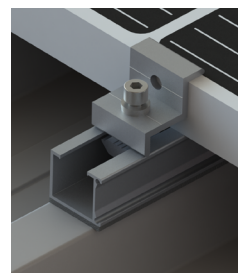

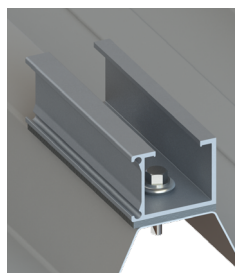

Short Rail Rooftop Clamp
IBR

Application

Trapezoidal Sheetting
IBR Sheetting

Dimensions

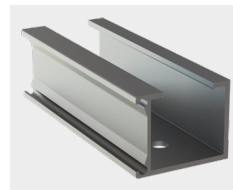

W 37mm
H 30mm
L 100mm

VECTIS

A2001100

Short Rail Rooftop Clamp
IBR

Technical Specifications

Material
Aluminium 6005-T6 Anodized > 10um
Stainless steel self tapping screw SUS410
Industry Advantages
Inherent corrosion resistance results in lower maintenance and extended product life
Self tapping screws allow for ultra-quick installation
EPDM rubber creates a water-tight seal
10 – year limited warranty
