

VECTIS

A3001100

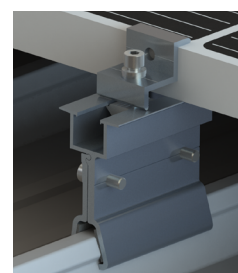

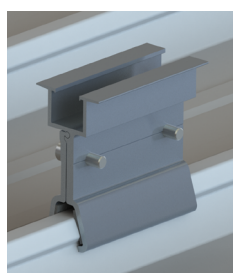

Short Rail Rooftop Clamp
Kliplok

Application

Saflok 700 (Safintra)
Kliplok 700 (GRS)

Dimensions

W 50mm
H 100mm
L 100mm

A3001100

A3001100

Short Rail Rooftop Clamp
Kliplok

Technical Specifications

Material
Aluminium 6005-T6 Anodized > 10um
Stainless steel SUS304
Industry Advantages
Inherent corrosion resistance results in lower maintenance and extended product life
Pre-assembled threaded components allow for ultra-quick installation
Non-invasive fixation
Good ventilation
10 – year limited warranty
