

VECTIS

A3002060

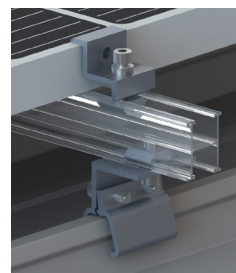

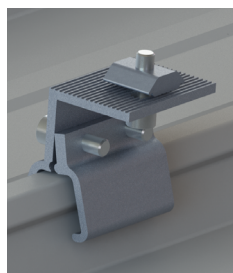

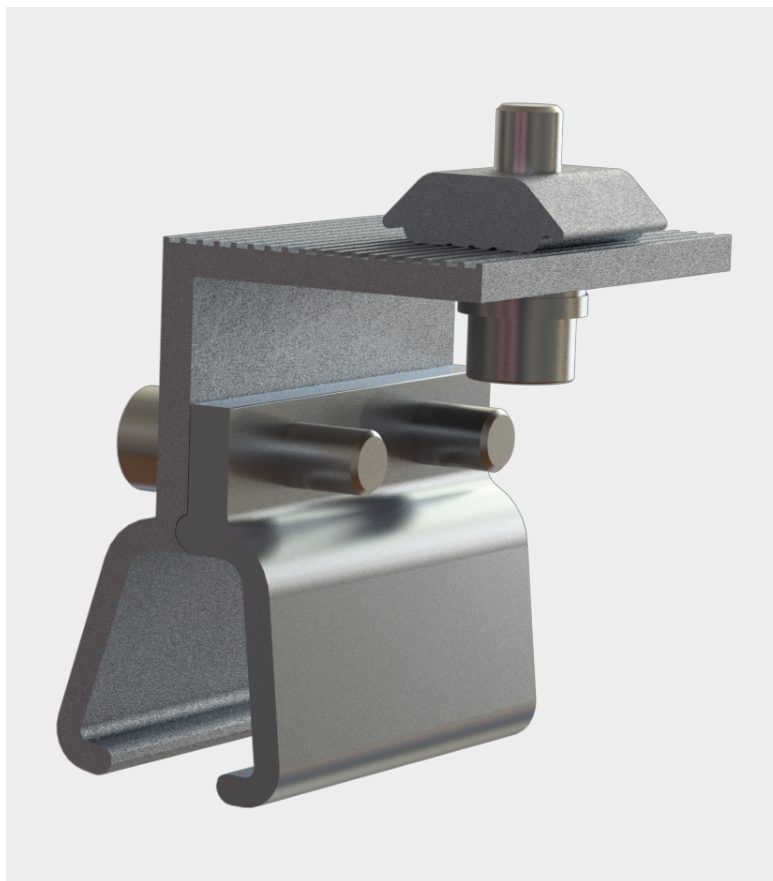

Long Rail Rooftop Clamp
Kliplok

Application

Saflok 700 (Safintra)
Kliplok 700 (GRS)

Dimensions

W 44mm
H 66mm
L 60mm

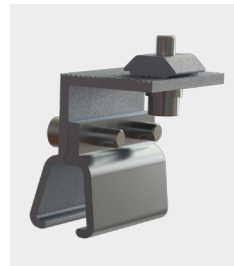

A3002060

VECTIS

A3002060

Long Rail Rooftop Clamp
Kliplok

Technical Specifications

Material
Aluminium 6005-T6 Anodized > 10um
Stainless steel SUS304
Industry Advantages
Inherent corrosion resistance results in lower maintenance and extended product life
Pre-assembled threaded components allow for ultra-quick installation
Non-invasive fixation
Good ventilation
Compatible with A100 top-bottom rail
10 – year limited warranty
